green living made easy

DECEMBER 2008

A\$6.95 • NZ\$7.90

## 5. Story time

Take your child on an eco-adventure with these gorgeous books (\$16.95) by Australian author and environmentalist Caren Trafford. By combining humour, illustration and fact, the *Environmental Education...Serious Fun* series will help explain concepts such as climate change, renewable energy, water use and waste reduction.
