Caren Trafford is the creator of much loved children's books *Where does the poo go?*, *Water...the amazing journey* & *A worm's eye view*. Caren's books take a fun approach to environmental education with wacky illustrations, fascinating factoids & wicked humour. Children learn how they can make a difference without even noticing they are!

This FREE event is suitable for children aged 6-13. For more info. & to reserve your place ASAP, please call us on 33683009.

The Student Environmental Art Exhibition will be on display at Biome for three weeks from Saturday, 24 June to Saturday, 15 July. Drop by in the school holidays to inspire your children with these clever artworks & pick up an entry form for this year's competition.

As Caren says, "Come on...we've got a Planet to SAVE!"

Biome is your source for all the little things that mean a lot to our planet...
